O R D E R

In the reference 1st read above, Government have accorded permission to Sri Sarvaraya Sugars Limited, Bottling Unit, Vemagiri, East Godavari District for drawl of 82,200 Gallons of water per day from River Godavari on the upstream of S.A.C. Barrage, Dowlaiswaram by way of pumping for a period of 10 years for consumptive use for industrial purpose with certain conditions.

2. In reference 2nd read above, the General Administration (Vigilance & Enforcement) Dept. communicated its report suggesting certain recommendations after inspecting the work of "Construction of Pump house and laying of pipeline from upstream of SACB at Dowlaiswaram to Mallavaram in East Godavari District" by their officials. Among other recommendations one recommendation mentioned at point No. 7 B(v) is as below::

v. formulate an expert committee to

a. enquire in to permissions given earlier to other company pump houses and check whether any pipe line is placed under the flood bank or crossed the flood bank and take steps to remove them and re-lay in a safer manner.

b. enquire and streamline the pending and future allocations for water drawls and pump houses and their pipeline alignments so that flood banks are not damaged and pipe lines are taken in a safe way.

3. As per the recommendations of the V&E Department, the Engineer–in-Chief (Irrigation), Water Resources Department, Vijayawada has proposed an expert committee comprising the following members to study & enquire and streamline the pending & future allocations for water drawls and pump houses and their pipe line alignments under the flood banks or crossing the flood banks in view of safety of flood banks vide reference 3rd read above.
